

SA Cup Documents and Forms

The documents below represent everything a team will need to compete in the IREC competition at the SAC. Some documents are living documents and others are final. Please check back periodically to make sure you have the most recent document. Feel free to contact ESRA with any questions.

IREC Rules & Requirements Document

This document defines the rules and requirements governing participation in the Spaceport America Cup: Intercollegiate Rocket Engineering Competition, as well as how non-collegiate organizations – such as high-school and industry groups – may participate in the Spaceport America Cup overall. Additional guidance for collegiate teams entered in the competition is contained in the *IREC Design, Test, & Evaluation Guide*, maintained on the ESRA website (not published yet).

SA Cup Integrated Master Schedule Document

This document primarily defines the schedule on which participants in the Spaceport America Cup: Intercollegiate Rocket Engineering Competition must submit required deliverables to the event organizers in order to be considered "timely" in scoring. The impact of timeliness on scoring is described for each respective deliverable in Section 2.8 of the *IREC Rules & Requirements Document*. Furthermore this document, integrates other information useful to participants, such as the deadlines for early, on-time, or late payment of fees, due dates for required waivers/forms, and the detailed event schedule of the Spaceport America Cup itself.
